Restore test report

Written after every restore test, twice a year, and kept in your report.

ARASAKA SOFTWARE

Machine _____ Date _____ Done by _____

What	Copy used: its date, and where it came from	Time it took	How it was checked	Everything back?	What failed, and what was done about it
Mail					
Documents					
Photos					
Passwords					
Calendar and contacts					
The other services you run					

Next test due _____ Signed _____

An untested backup is a hope, not a backup.
